website: www.dumondchemicals.com

3. PRODUCT DESCRIPTION:

Safe n Easy Limestone Cleaner is a heavy duty cleaner/restorer and can be used on a wide variety of stone surfaces safely and effectively. This product is most effective on limestone, marble and travertine, removing accumulated surface contaminants, mineral deposits and atmospheric stains. It can be used both for interior and exterior applications. This product does NOT contain any harsh solvents, phosphates, caustics or acid. It has a very fast application and wash down time frame of between 5-15 minutes

4. TECHNICAL DATA:

Appearance: Pale Yellow liquid

Odor: Slight ammonia

Flash Point: None

pH: 11.0 – 11.5

lbs/gallon: 9.0-10.0

5. GENERAL APPLICATION:

Limestone Cleaner should be generously brushed or sprayed onto a dry surface being cleaned from the bottom up. Saturate surface to completely "wet out" for optimum cleaning of the surface. Let solution stand for approximately 5-15 minutes, depending on surface and contaminants, agitate and then rinse thoroughly. There is no need to mask off

glass or metal surfaces and since the water is pH neutral no need for collection of the waste water. Run all might clean surrounding areas so protect accordingly. This product will not damage or kill shrubs or grass.

TEST AREA:

It is often impossible to know all of the conditions of the surface before cleaning. Before a project is started it is important that a small test area be done typical of the surface to be cleaned.

HEALTH AND SAFETY:

For specific information please refer to the Material Safety Data Sheet. This product is not flammable, corrosive or caustic.

6. AVAILABILITY AND COST: All Dumond products are available through a network of product distributors and paint stores. Call Dumond Chemicals in New York (212) 869-6350 for the nearest distributor. Cost will depend upon substrate and conditions to be cleaned. This product has an average coverage of between 150/200 sq. feet per gallon.

7. WARRANTY: Dumond Chemicals warrants all of its products to be free from defects, and makes no other warranties with respect to its products, express or implied, including without limitation the implied warranties of MERCHANTABILITY OF FITNESS FOR PARTICULAR PURPOSE. Dumond Chemicals Inc. liability shall be limited in all events to supplying sufficient products to re-treat the specific areas to which defective product has been applied. Dumond Chemicals shall have no other liability, including liability for incidental, consequential or resultant damages whether due to breach of warranty or negligence. This warranty may not be modified or extended by representative of Dumond Chemicals or its distributors and desires.

8. MAINTENANCE: No special service of the treated area is required following the cleaning process. No maintenance is required for the Dumond Products.

9. TECHNICAL SERVICES: Dumond Chemicals employs a complete staff of customer service representatives for response to any questions from end users and contractors. We also employ a staff of trained sales and field customer service personnel for on site testing and application assistance. Please call our New York office for any assistance required.
